## 2. Manage your Daily Tasks

1. Create a new board named "Daily To-Do List"
2. Add a list for each category of tasks (work, personal, school, etc.)
3. Add a "Today" list for your daily tasks
4. Add cards to each list with the tasks you need to complete
5. Use the label feature to categorize the tasks by priority (high, medium, low)
6. Use the due date feature to set deadlines for each task
7. Move tasks from the category lists to the "Today" list to focus on what needs to be done
8. Use Trello's mobile app to access your to-do list on the go and check off tasks as you complete them

9. Take a screenshot of your board with the lists that you created and add it here.

10. Take a screenshot of one of your cards that you already completed and add it here.
